Testimonials

Couldn't have wished for a better day. Staff, food, and venue are fabulous. Definitely a great place for a wedding total recommended.

Review by Mary Quinn, Weddings Online

From the very first visit to Kettles to plan our big day, the staff could not do enough for us. From juggling dates, numbers of guests, table plans etc. Nothing was too much trouble for Colin and all the staff. By the time the Day arrived we felt we were dealing with friends. We cannot thank Colin and all the staff enough for making our day so special and memorable.

Review by Maria Gallagher, Weddings Online

We had our wedding in Kettles and from the beginning of planning until our wedding day, Colin the manager, and all his staff were amazing. They went above and beyond to make our day the most special and best day we could have ever wished for. I would recommend any future couples who are planning their wedding day to have it here.
